Regarding Royal Decree-Law 6/2020 of 10th March

In the spirit of continuing to report on the various developments and measures taken in the framework of the current situation, today, 11 March 2020, the Official State Gazette publishes Royal Decree Law 6/2020 of 10 March, adopting certain urgent measures in the economic field and for the protection of public health.

Among these measures, it is worth highlighting the exceptional consideration of periods of isolation or infection of workers as a result of the COVID-19 virus as a situation assimilated to an accident at work, as provided for and elaborated in Article 5.
